# Hasan Iqbal

**Lucknow, U.P |** Rooney.Khan999**| +91 – 9305266473 |** https://www.linkedin.com/in/hasan-iqbal-b28322216

---

## EDUCATION

**Integral University |** *B.Tech -Computer Science & Engineering* 7.78 CGPI  **Lucknow, U.P |** 2019 - Present
- Proficient in logic based subjects such as Data Structures & Algorithms, Operating System and Database Management System.

**Christian Inter College** | *Senior Secondary*                    **Lucknow, U.P** | 2018
**Centennial Inter College** | *High School*                       **Lucknow, U.P** | 2016

---

## TECHNICAL SKILLS

**Tools**                 : Visual Studio, IntelliJ, MS Office
**Operating System**      : Windows.
**Languages**             : Python, Sql, Html, Css, Bootstrap

---

## PROJECT EXPERIENCE

**Weather App | HTML , CSS , JAVASCRIPT, BOOTSTRAP**

- Use HTML and CSS to create a visually appealing user interface.
- Implement JavaScript to fetch weather data from an API ( Rapid API)
- Use the fetched data to dynamically update the UI elements, such as temperature, weather conditions, and location.
- Utilize Bootstrap to create responsive design and ensure proper layout on different devices.

- GitHub:https://github.com/Rooney9999/weather

**Talking Dictionary | Python**
- This project is build using the python.
- GUI is created using tkinter module of python.
- Functionality part is created using core python.
Github : https://github.com/Rooney9999/Talkingdictionary

**Snake Game | Python**
- This project is build using the python.
- GUI is created using tkinter module of python.
- Functionality part is created using core python.
Github:https://github.com/Rooney9999/Snakegame

---

## TRAINING & COURSES

**Data Structures and Algorithms** - Self-Paced (Geeks for Geeks)

**SQL Foundation** - Self-Paced (Geeks for Geeks)

**The Complete 2023 Web Development Bootcamp -** Self-Paced (Udemy)

---

## CERTIFICATIONS

Got certificate in Mastering the **SQL queries**                    **March**- **April** 2022

Got certificate in **Internet of things(IOT)**                      **Februrary** - **March** 2022

Got certification in **Full stack web developement** training       **July** - **September** 2022
